

Are you or someone you know interested in volunteering?

Hopewell is pleased to offer opportunities for volunteers at each of our three locations.

Hopewell in Ariss

A residential setting where we strive to keep the atmosphere home-like for all of our residents. All of our residents require total care in all areas of daily living, but all enjoy 1:1 time whether, it's going for a walk, reading stories, a hand or foot massage or simply watching a movie together.

Stephanie Home

A respite home located in Guelph for youth with behavioural and emotional challenges due to developmental disabilities. Clients attend the home for a brief stay once a month (usually a week or a weekend).

Playsense Activity Centre

Located in the Shelldale Community Centre in Guelph, Playsense provides a variety of recreational activities designed to promote fun, creativity and movement exploration. Playsense is a unique and fully accessible play centre for individuals with developmental disabilities.

If you are interested in volunteering at any of the three locations, please submit a letter indicating your location of preference and what hours you're interested in by e-mail to info@hopewellchildrenshomes.ca or by fax to 519-836-8830. Your letter will then be forwarded on to the appropriate site manager.

Please Note:

Hopewell is pleased to accept high school students who require hours towards their community volunteering. For more information please call 519-836-9641 ext. 221

Volunteers don't get paid, not because they're worthless, but because they're priceless.
- Sherry Anderson
